Bevin Demands 'Get Tough With Israel Policy'

Report Foreign Secretary
Puts Demands Before
British Cabinet
Meeting

ARMS SHIPMENTS ARE DISCUSSED (BULLETIN)

LONDON, Jan. 12.—(INS)—The British cabinet met in lengthy session on the Middle East crisis today and reportedly heard a demand from Foreign Secretary Bevin for approval of a "get tough with Israel policy" and shipment of arms to the Arab states.

Usually reliable sources said that Bevin will hand in his resignation unless his demands are met.

Denies Israeli Charges

A British foreign office spokesman categorically denied Israeli charges that Britain had violated the Middle East arms embargo by sending military aid to the Arabs. He asserted that the Jews themselves had contravened the embargo by receiving arms "on a massive scale." The official said that Israel had never denied the receipt of arms from Czechoslovakia.

The spokesman said: "Ninety per cent of Israeli forces and arms come from eastern Europe."

He claimed that the Jews bought military supplies with dollars, but added that no blame attaches to the United States, because the control of American currency outside U. S. boundaries is impossible.

Troop Movements Cease

The official said that British troop movements in the Middle East have now ceased, but he professed no knowledge of a request to that effect from Washington.

Bevin was said to be ready to stake his political future on his insistence that the cabinet put Britain's obligations to the United Nations in second place to her obligations under mutual defense pacts to Egypt, Trans-Jordan and Iraq.

The demand was viewed as likely to precipitate an explosive debate among the members of the labor government. But observers predicted that Bevin, with the backing of Prime Minister Clement Attlee, will probably win out.

Sources close to the foreign secretary said his "patience is worn out" by what he regards as Israeli violations of Security Council decisions.

Pa Newc Observes

A glance at the calendar reveals that just three weeks from today and "Groundhog" day will be in our midst again.

Workers have completed dismantling of a large frame home on East Washington Street at Bedford near the Third U. P. church. The residence was owned by the church and at some future date, the congregation will erect a fine new parsonage on the lot.

Laurel Boulevard parkway was being dressed up this morning by city workmen supervised by Owen Penfield Fox. Each of the city parks, whether small or large is given attention during the winter months by the outdoor crews so that they will look their best when spring comes.

Local ice skaters are keeping a watchful eye on local ponds and streams hoping that a good coating of ice may form so that they can enjoy their favorite sport once more. Their first and last experience of this present season was short lived.

Expects To Remain in Cabinet

Revealing that he is working with the President on a program for overhauling the National Security Act, Defense Secretary James V. Forrestal tells newsmen in Washington that he expects to remain in President Truman's cabinet during the four-year term beginning Jan. 20.

Method Of Repealing Taft-Hartley Law May Develop Rift

WASHINGTON, Jan. 12.—(INS)—A dispute over the procedure of repealing the Taft-Hartley law threatened today to provoke the first post-election rift between the Truman administration and organized labor.

There is general agreement on the president's state of the union message recommending repeal of the Taft-Hartley act, re-enactment of the Wagner law and "improvements" in the latter. The dispute is over how congress should do the job.

Labor wants a "two-package" procedure: repeal and re-enactment in one bill; then consideration later, in a separate measure, of amendments to the Wagner act.

Expect 150,000 At Farm Show Today

Record Throngs Are Attending State Farm Show In Harrisburg

EXHIBITS NUMBER NEAR TEN THOUSAND

HARRISBURG, Jan. 12.—(INS)—Pennsylvania's 33rd annual farm show, labeled the "best in the world" by Gov. James H. Duff, passed the halfway mark today with record throngs inspecting the 14-acre exposition building yesterday exceeding the number of visitors estimated on a similar day during the 1942 show.

Expect 150,000 Today

Farm show commission officials expect today's crowd to run around 150,000 persons and the estimate brightened hopes for exceeding the year-old record total attendance of 545,000 by the time the exposition ends Friday.

Activities opened today with judging of champion Brown Swiss, Jerseys and Aberdeen-Angus entries. Meetings carded for today included the Pennsylvania Poultry Federation, the Holstein Association, the Raw Milk Producers.

Forecast Little Weather Change

(International News Service)

Driving conditions were practically normal today in western Pennsylvania despite last night's snow and freezing temperatures, but it still would pay motorists to drive carefully.

Somerset County reported the heaviest snowfall with three inches. Elsewhere in western Pennsylvania the reports varied between traces of snow and up to one inch.

The high today will be 35 with a 30-degree weather forecast for overnight. There's a possibility of more snow tomorrow. Snow, ice and slush covered sections of the Pennsylvania turnpike.

Statement By Dean Acheson Now Expected

Believe Secretary Of State
Nominee Will "Clear
The Air" On Rumors

PUBLIC HEARINGS START THURSDAY

WASHINGTON, Jan. 12.—(INS)—Dean Acheson is expected to take the initiative with a voluntary public statement attacking rumors and questions concerning his policy toward Russia when he testifies tomorrow on his nomination as secretary of state.

A responsible administration source said this "probable" strategy was designed to set at rest immediately the flood of "innuendoes" concerning Acheson's background raised by some members of Congress.

Acheson will be the first witness before the Senate Foreign Relations committee tomorrow morning when it opens public hearings in the Senate caucus room on his nomination as Gen. George Marshall's successor.

The former undersecretary of state has been advised to "nail down" the series of questions concerning the viewpoints before lending himself to interrogation by members of the Senate committee.

Questions Involve

1. Testimony developed by the House Un-American Activities committee suggesting that Acheson in 1944 and 1945 headed a "school of thought" in the State department which favored a "soft" policy toward Russia.

2. Acheson's past relations with Alger Hiss, his former assistant in the department who is now under indictment on a perjury charge growing out of the House spy inquiry.

3. His relationship with Donald Hiss, brother of Alger, now associated with the Washington law firm in which Acheson is a partner.

Administration leaders, convinced that Acheson was the best choice President Truman could have made, want the nominee to "clear the air at once"—and of his own volition—when he goes before the Senate committee.

They contend that Acheson should emphasize his role in helping to formulate and "sell" on Capitol Hill the Truman doctrine—a "tough" step towards Russia first carried out in the Greek-Turkish aid program.

Frantic Rescue Efforts Fail To Save Miner's Life

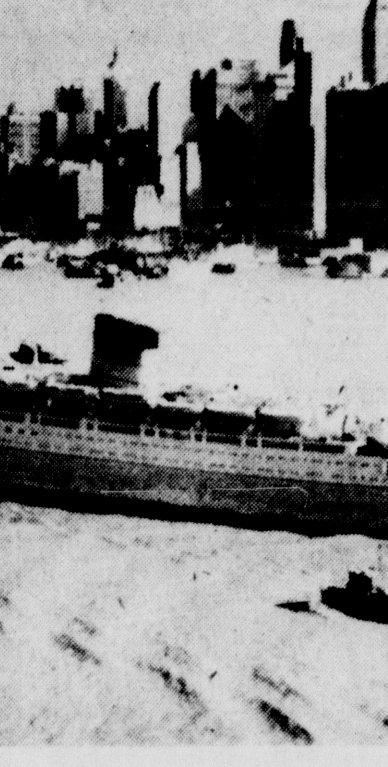

WINDBER, Pa., Jan. 12.—(INS)—William Wallace, 27-year-old coal miner died at 8 a.m. today in a Windber hospital following 14 hours of frantic work by rescuers who dug him from beneath a mine near Carlsburg, Pa.

Wallace finally was uncovered at 11 o'clock last night, and was taken to the hospital suffering extreme shock and critical body injuries. He had been buried—except for his head and shoulders—since 9 a.m. Tuesday.

A physician administered hypodermics to the trapped miner, but he did not lose consciousness.

It was estimated that more than 20 tons of rock were removed from the miner's body.

Launches Drive For Extension Of Auto Credit

Congressman Wants Credit
Curb On Auto Purchases
Made 24 To 30 Months

SAYS PRODUCTION CUT BACKS FORCED

WASHINGTON, Jan. 12.—(INS)—Rep. Wright Patman (D) Tex., today launched a drive to force the Federal Reserve Board to extend 24 or 30 months its 18-month credit on automobile purchases.

Patman announced that he has asked Rep. Spence (D) Ky., chairman of the house banking and currency committee, to make action looking to modification of regulation "W" a speedy order of business.

The Texan accused the board of abusing credit powers and said he will oppose extension of the controls which expire June 30 unless the board "demonstrates its sympathy for the masses of Americans of moderate income and its responsiveness to danger signals in our economy." And he added:

"I am sure I will be joined by a commanding number of other congressmen."

"Depriving Millions of Autos"

Patman said he has received thousands of telegrams and letters from dealers "in every make of automobile" reporting "the shocking facts and figures on how the Federal Reserve Board is depriving millions of Americans from owning autos they need and want to buy."

"Two auto manufacturers already have announced cut-backs in employment. Great numbers of parts manufacturers, in turn, are being forced to cut back."

"The fact that dealers in every make of car are registering complaints with the reserve board, the administration and members of

Relief Promised From California Cold Wave And Snow In 48 Hours

LOS ANGELES, Jan. 12.—(INS)—Southern California's history-making snowstorm stretched its white fingers northward today as the entire "Golden" state remained within the icy clasp of a prolonged cold wave.

The supposedly sunny southland was promised relief in about 48 hours. The weatherman predicted probably snow for today in northern California areas where some residents have never seen any.

The forecaster said snow flurries may be expected during the next two days in San Francisco and its surrounding Bay region as well as in Fresno, Madera, Kings and Tulare counties.

Temperatures in the settled portions of the state's northern half were expected to continue in the low 20s and 30s, with no relief from the record lows in sight before Saturday.

Clearing Weather Indicated

Meanwhile, snow-weary Southern Californians—used to sun glasses and bathing suits—heaved a heavy sigh of relief that could be possible.

High Ranking U. S. Official To Be Investigated

WESTOVER AIR BASE, Mass., Jan. 12.—(INS)—A high-ranking U. S. military government official arrived from Germany today aboard a Navy plane. It has been officially announced that he is to undergo an investigation of his loyalty.

Samuel L. Wahrhaftig, 33, of Brooklyn, N. Y., was visibly nervous as he stepped from the military air transport service plane. He was hatless and attired in a grey, double-breasted suit.

He looked pale and spoke willingly to newsmen. He declared he had "no idea" why he had been ordered to return to this country. He said never to his knowledge had he undergone an investigation of his loyalty.

Wahrhaftig, who spoke with a German accent, planned to leave Springfield by train for Boston. He declared, however, that he will be in New York tomorrow where he has to report to the War Department.

The military government official was an enlisted man and went overseas in February, 1944. He received his discharge in Germany and took a position with the military government in 1946.

Today was the first time he had returned to this country since the war.

Wahrhaftig has been described as a key political officer for Gen. Lucius D. Clay, acting as a liaison with top German political figures.

AIRLIFT PLANE CRASH KILLS THREE OF CREW

Report Moves To Save 'Queen City' From Destruction

All North China Appears To
Be Falling Under Red
Control

ALL-OUT ASSAULT ON TIENTSIN NEAR (BULLETIN)

NANKING, Jan. 12.—(INS)—Nationalist moves to surrender besieged Peiping and save China's queen city from destruction were reported today following the apparent loss of Tientsin to the Communists.

All North China appeared to be falling under Red control as Nationalist authorities put out feelers to obtain a Communist "cease fire" order at the gates of the historic city.

(Reuters reported from London Wednesday morning that Tientsin still is in government hands after a temporary cease-fire. The news agency said that an all-out assault on the city by some 90,000 Communist troops is expected imminently.)

Report Untrue

Simultaneously, a report sweeping Nanking that President Chiang Kai-shek already had secretly flown in his special plane from his threatened capital to Formosa proved untrue.

The Generalissimo's special plane still was at Nanking's inner airport and his personal pilot, Col. Yi Fuh-en, also was in the city.

Peiping's former mayor, Gen. Ho Sze-Yuan, Shantung province Nationalist commander and hitherto a firm supporter of Chiang, was understood to have taken the initiative toward the surrender of China's most magnificent metropolis without fighting in its streets.

Gen. Ho was reported contacting the Nationalist North China commander-in-chief, Gen. Fu Tso-Yi, and cultural leaders in Peiping to organize a concerted move for what he called "preservation of the city of civilization and its population of two million."

Will Appeal For Attack Halt

One of the cultural leaders, Dr. Chang Tung-Sun, was understood already to have left the city proper and to have gone to Yenching university, just outside the walls of China's former imperial capital.

It was said Dr. Chang would

Israeli Delegation En Route To Peace Talks At Rhodes

RHODES, Jan. 12.—(INS)—A seven man Israeli delegation was en route to the Rhodes peace talks today, amid rumors that Egypt may reduce its territorial demands on Palestine's southern Negev.

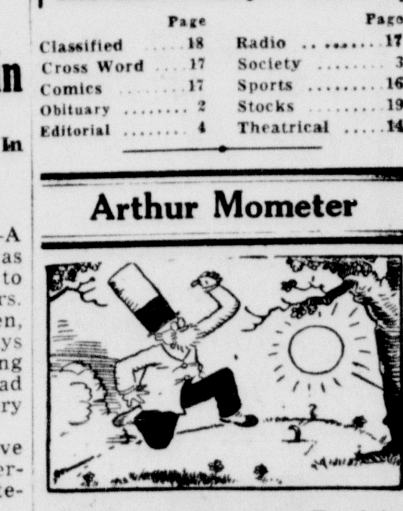

The Jewish delegation departed earlier from Tel Aviv. Names of members were withheld for security reasons.

Egypt notified U. N. mediator Dr. Ralph J. Bunche that its delegation will be headed by Col. Mohammed Seif El Dine, assisted by two other military men, and Dr. Ahmed Moussa, legal adviser.

Oh yes, I know that the winter is here and the rosebuds are still fast asleep, and I know we are due for a blanket of snow, and a touch of some ice and some sleet. But a few months ahead there's some weather that's due, some sun and some flowers to pick, and some hicks to be taken down deep in the woods, you see I'm that kind of a hick. I like to get out where the country is wild, and the world seems a distance away, so a fellow can dream of the weather ahead, while its cool, thirty-seven today.

Mr. and Mrs. Anthony Massaro To Observe Fiftieth Anniversary

MR. AND MRS. ANTHONY MASSARO

Mr. and Mrs. Anthony Massaro of 418 Duquesne street, will observe their golden wedding anniversary on Sunday, January 16, and open house is planned for friends and relatives, at 2 p. m., at the Massaro residence.

Mr. and Mrs. Massaro were united in marriage in Pietrabondante, Italy, on January 13, 1899, and came to this country shortly afterwards.

They have resided in the Croton district practically all of their lives since arriving here, and are members of St. Vitus church, being active in church and civic affairs. Mr. Massaro is a well-known business man having been in the grocery business, retiring approximately 10 years ago.

Mr. and Mrs. Massaro are in fair health at present. They are the parents of eight children, Michael, Arthur, Patsy, Mrs. Lena Santangelo, Mrs. Elsie DeFlore, Mrs. Alice Gallick, Mrs. Elizabeth Glover and Mrs. Mary Ann Giacomini. They are also the grandparents of fifteen grandchildren.

The honored couple's children will be host during open house and reception on Sunday. Mr. and Mrs. Massaro have acquired a large circle of friends, not only in the Croton district, but throughout the city, and on this happy occasion many will call to extend best wishes for a continued happy and joyous life and good health.

FRASER-BEALS CHURCH WEDDING

Miss Lois Marjorie Fraser, daughter of Mrs. Nelle Fraser, of 107 South Crawford avenue, and Arnold Fraser, of Wilkesburg, Pa., became the bride of John Edward Beals, of 111 North Jefferson street, son of Mr. and Mrs. R. B. Beals, 1315 Neshannock boulevard, at an open church wedding Saturday evening, January 8. Rev. A. E. Simon officiated at the ceremony at 7:30 p. m. in St. John's Lutheran church, before a large gathering of friends and relatives.

The bride, given in marriage by her father, was attired in a street length dress of sheer winter white wool, with black and gold accessories. She wore a shoulder corsage of yellow roses and baby mums.

Miss Catherine Fraser, sister of the bride, wore an aqua street length dress, with brown accessories and a corsage of gardenias. Thomas Radish, brother-in-law of the bride, served the groom as best man.

Immediately following the ceremony there was a reception in the home of the bride's sister, Mrs. Thomas Radish, of Crawford avenue. Refreshments were served buffet style from a table prettily appointed and centered with a three-tier wedding cake. The newlyweds then left on a wedding trip by train to New York State. Upon their return they will reside at the New Penn Hotel.

Both Mr. and Mrs. Beals are graduates of New Castle high school and both are employed at the Shenango Pottery.

REV. GAISER TALKS TO COLLEGE CLUB

College club held its regular monthly meeting on Tuesday evening in the auditorium of the New Castle Library, with the president, Mrs. Dale Mullen, presiding.

At the conclusion of business, the meeting was turned over to the chairman of the evening, Miss Charlotte Taylor, who introduced the speaker, the Reverend James A. Gaiser, pastor of the First Methodist church. He talked to the club in his most interesting way of his trip abroad during the past summer.

He told of his unusual opportunity in attending the World Council of Churches in Amsterdam, where most of the countries of the world and almost all religious faiths were represented. He also gave from his own experiences and observations a vivid picture of the present, postwar conditions of such countries as Holland, Germany, Russia, Poland, Czechoslovakia, Switzerland, France, Belgium, and England.

The speech was concluded with an interesting question period.

Hostesses for the evening were Miss Bernice Bartlett, Mrs. Harlow Clarke, Mrs. Ralph Weide, Mrs. Daniel Williams, Miss Margaret Barnes, Miss Helen Maxwell. Next meeting will be on February 8 in the Jameson Memorial Hospital Nurses' home.

MINISTERS' WIVES CLUB ENTERTAINED

Pfc. Robert D. Leese Funeral On Friday

Body Of Marine, Who Died In
1944, To Arrive Here On
Thursday

Funeral services for Pfc. Robert D. Leese, U. S. Marine Corps, will be conducted Friday afternoon at 2:30 o'clock from the Cunningham funeral home, East Washington at Chestnut, with Rev. Owen W. Shields officiating. Interment will take place in Oak Park cemetery.

The body of Pfc. Leese, son of Mr. and Mrs. Daniel W. Leese, 716 Blaine street, will arrive here from Columbus, O., on the Pennsylvania railroad on Thursday morning at 10:50 o'clock, when it will be received by the funeral home, where friends may call that afternoon from 2 to 4 o'clock and in the evening from 7 to 9 o'clock.

Pfc. Leese, a member of the Second Marine division, was wounded in action on Tinian Island on August 2, 1944, and died August 18, of the same year in the Second Marine hospital, Tinian Island.

He enlisted May 15, 1942, in the U. S. Marine Corps. Pfc. Leese saw action in the Battle of Tarawa and the conflict on Saipan. He blew up 23 pill boxes on Tarawa.

He was born December 18, 1924, in this city.

Previous to enlisting, he was employed at the New Castle Dry Goods company. The young man was a member of Croton Methodist church and Bible school.

Survivors include his parents, Daniel W. and Helen Irene Ringer Leese; one brother, James Leese, at home, and three sisters, Miss Shirley Leese, at home, Mrs. Marion B. Davis and Mrs. Lois Styers, both of New Castle.

Pay More Than \$100 Monthly
Patman charged that the board in effect "is soaking the poor and favoring the rich." He said:

"It is forcing families to pay more than \$100 a month installments to buy a medium priced car. That means that the overwhelming majority of Americans who earn less than \$5,000 a year are forced out of the market. Only the rich who can pay cash can get the car of their choice."

"An extension of a payment period to 24 months would immediately permit people to reduce monthly payments to the neighborhood of \$75. It would restore the ability of medium income families to buy cars."

METHOD OF REPEALING TAFT-HARTLEY LAW MAY DEVELOP RIFT

of the senate labor committee, has introduced a bill to accomplish the first step.

Asks "One Package"
But Rep. Lesinski (D) Mich. chairman-designate of the house labor committee, favors a "one package" approach: repeal, re-enactment and new legislation all in one omnibus bill.

After a White House conference Lesinski claimed presidential support for his procedure.

Thomas then announced that he had no objection to the "one package" bill. The senator explained:

"Any one of several plans may be followed. But if there are several contending plans we will become exhausted over discussion of a plan rather than over carrying out the president's recommendations."

Truman Misinterpreted
Administration sources asserted that Mr. Truman's position was misinterpreted. One official said the president did not want to dictate congressional procedure and simply told Lesinski that whatever course congress decided on was "okay" with him.

None-the-less, union leaders are up in arms.

An AFL-delegation will call on Senator Thomas to insist on the "two-package" procedure. Labor fears it will be at a great disadvantage in the drafting of new legislation if the Taft-Hartley act is allowed to remain on the books.

Deaths Of The Day

Mrs. James P. Welsh

Mrs. Rachel Griffiths Welsh, aged 58 years, wife of James P. Welsh, Monaca, R. D. 3, died Tuesday at her home. Death was unexpected, as Mrs. Welsh had not been ill previous to that time.

Born in New Castle, April 21, 1890 she was a daughter of John R. and Melinda Dann Griffiths. Before residing near Monaca for many years, Mrs. Welsh lived in New Castle. She was a member of the First Baptist church, Rochester, Pa.

Survivors in addition to her husband include two brothers, J. Ferd Griffiths, Niles, O., and R. Roy Griffiths, New Castle. She also leaves a number of nieces and nephews.

Funeral services will be conducted Thursday afternoon at 2 o'clock from the Bachelor Brothers funeral home, Rochester. The body will be brought here to the R. L. Boyd funeral home, North Jefferson street, where further services will be conducted Friday afternoon at 2 o'clock with Rev. Oliver Hurst officiating.

Interment will take place in Oak Park cemetery.

Friends will be received at the R. L. Boyd funeral home Thursday evening from 7 to 9 o'clock.

Nicholas DeLorenzo
Nicholas DeLorenzo of 416 Hawthorne street died in the Jameson Memorial hospital late Tuesday morning, following an illness of one week.

Mr. DeLorenzo was born in Italy, son of Andrew and Mary DeLorenzo. He came to this country 47 years ago, and worked for 25 years as kiln drawer at the She-nango Pottery company. He retired two years ago. The deceased was a member of St. Vitus church.

In addition to his wife, Mrs. Camilla DeLorenzo, to whom he was married 39 years, he leaves the following children: Mrs. Mary Tavorieri, Mrs. Margaret Avery, Andrew, this city, Mrs. Phyllis Mahoney, Struthers, O.; Thelma, Rose, Mrs. Wilma Stevenson, Anthony, Arlene and Camilla.

Surviving are two brothers: Anthony, this city, and Philip, in Italy, and also six grandchildren.

The body will be removed from the DeCarbo funeral home to the residence late this afternoon, where friends may call.

Requiem mass will be Saturday morning at 8:30 o'clock, in St. Vitus church, with burial to follow in St. Vitus cemetery.

Folino Funeral Friday
Funeral services for the late Joseph Folino, of Ellwood City, will take place on Friday morning at 9:30 o'clock from the Purification of the Blessed Virgin Mary church in Ellwood City, solemn requiem mass being said by Rev. Fr. Vincent Galliano, Rev. Fr. Joseph Ternatuzzi, and Rev. Stanislaw Joswiak.

Interment will be in St. Agatha cemetery.

Friends are being received at the funeral home this afternoon and this evening from 7 to 9 o'clock, and Thursday, from 2 to 4 and 7 to 9 p.m.

Pvt. Jones Funeral
Funeral services for Pvt. Thomas A. Jones, 405½ Bell avenue, were conducted Tuesday afternoon at 2 o'clock from the R. L. Boyd funeral home with Rev. W. A. Lloyd, pastor of Leesburg Presbyterian church, officiating.

Clarence Graham, Teddy Koscinzka, Charles Riggins, Ralph Wilbur and Chester Coates as pallbearers.

Military services were conducted by the burial escort of Perry S. Gaston Post 343 of the American Legion at the grave side in Leesburg Presbyterian cemetery with A. E. Walker serving as commander. Capt. William Glitch was chaplain, while Alvi Kulker and Ralph Hays were color-bearers. Robert Farrell and Earl Moffatt were colorguards. Ned Anderson,

representing Peiping's intellectuals within a delegation that would appeal to Communist Gen. Nieh Jung-Chen to order his troops around the encircled city to halt their attacks.

Dr. Chang is a member of the outlawed Democratic League and a professor of Yenching university now occupied by the Communists.

The pattern of events at Peiping seemed closely to resemble the steps taken at Tientsin, where four members of the city council obtained a Communist "cease fire" order Monday night.

The reported fall of North China's chief industrial center added to the growing military peril to China's heartland—occupied by the capital city of Nanking and the great port of Shanghai.

**FALLS ASLEEP IN
MOVIE; REPORTS
HER MONEY TAKEN**

CLEVELAND, Jan. 12.—(INS)—"The Man From Colorado" was the picture advertised by a downtown Cleveland movie theater, but Mrs. Hazel Albright apparently thought she was seeing a reissue of "The Big Sleep."

For that reason, the 42-year-old Pittsburgh widow is between \$6000 and \$7000 poorer today.

Mrs. Albright fell asleep during the showing of the film. When she awoke four hours later, the money, in \$100 bills, had disappeared from a wallet in her purse.

She said the money was part of \$9,000 realized from the sale of her Pittsburgh home following the death of her husband.

She was unable to say exactly how much money was lost.

Four Day Fiesta Shaping Up For Inauguration

By MARTHA KEARNEY
(U. S. Staff Correspondent)

WASHINGTON, Jan. 12.—They are getting set for a hot time in the old town on the night of January 20.

In fact the nation's capital, which has never been noted for its joie de vivre, is getting ready to let its hair down and do some freestyle dancing on tables in what is shaping up as a four-day fiesta.

Although President Truman has not yet announced a four-day inauguration week-end holiday for government workers, he is expected to do so shortly. Events to mark the occasion are scheduled for all four days, anyway.

And the little man with the two-dollar grandstand seat tucked in his pocket is planning to have himself a time after the four-hour parade is over and the kids have been stowed safely away in bed.

He's planning to break open the piggy bank, get out his rented dinner jacket and take the little woman down to the District of Columbia Armory to do some fancy stomping at the Inaugural ball.

Many Celebrities
There he will dance to the music of Benny Goodman and Guy Lombardo—and none of that romantic closed eye business, either. He'll be too busy gawking at the celebrities—who will range in scope from the President and First Lady to Abbott and Costello.

With the inaugural ceremonies only nine days off, flags and bunting are being liberally applied to buildings all over the town to remind one and all of the great day. A virtual road-block of multi-tiered wooden stands already lines the sidewalks along busy Pennsylvania avenue, the route of the mammoth parade which will highlight the day's celebration.

The official highlight of inauguration day, of course, will be the reception given by the President and First Lady at the National Gallery of Art late on inauguration afternoon. The event will be strictly by invitation only and limited to about 5,000 guests.

But the average inauguration-goer didn't expect to be invited, anyway.

He'll be satisfied if the kids get a chance to see the President, and Mrs. Truman, and Margaret and all the important government officials, and the parade.

And then, if he can get a baby sitter, he'll pay his respects to the President in person at the Inaugural ball.

Picture Depicting Wonders And Wealth Of State Is Shown Tuesday

Lions club members saw an interesting picture at their noon luncheon meeting in The Castleton Tuesday when the picture, "Pennsylvania", prepared by Esso Standard Oil company of Pennsylvania, which shows the great wealth, majestic scenery, and its flora and fauna, was shown to the club, with Charles C. Andrews operating the projector.

It was announced that International President Eugene S. Briggs will pay a visit to the Oil City Lions club on March 9, and members of the local club are planning to attend the function which is being arranged in his honor.

Harrisburg Real Convention City

HARRISBURG, Jan. 12.—(INS)—Harrisburg, Pennsylvania's convention city, today scheduled at least 81 meetings this year.

Frank F. Davenport, Chamber of Commerce convention vice-president, said 15 were slated for this month alone. He expected a record number of conventions in 1949.

Week Of Prayer Progresses In City

Special city-wide week of prayer which started Monday evening in the churches of the city, continues throughout the week with the final service on Friday evening in the First Presbyterian church.

This evening at 7:45 o'clock, services will be conducted in First Methodist, Third U. P., Welsh Congregational, First U. P. and Mahoning Methodist churches. Thursday evening, services will take place in First Christian, Epworth Methodist, Wesleyan Methodist, Highland U. P. and Mahoning Methodist churches.

Friday evening, January 14, the final service will be a union prayer meeting in the First Presbyterian church with Dr. Robert F. Galbreath speaking.

The services are being sponsored by the New Castle Council of Churches and the Ministerial Association.

Representative Asks Hearings Of Month On New Labor Laws

WASHINGTON, Jan. 12.—(INS)—Rep. Kennedy (D) Mass., said Tuesday that he favors hearings of about a month on new labor legislation in the 81st Congress.

Kennedy, a member of the House Labor committee, participated in a conference with President Truman on labor legislation along with Rep. Lesinski (D) Mich. who will be chairman of the committee.

The young Massachusetts congressman said he thinks thorough hearings should be held on the Taft-Hartley law and how it worked before Congress enacts new legislation.

Mr. Truman called for repeal of the Taft-Hartley statute and enactment of the Wagner act with "improvements" in his State of the Union message last week.

Kennedy said the President expressed the desire that Congress proceed as "promptly as possible" on these recommendations since repeal of Taft-Hartley was one of his chief campaign pledges.

Lesinski said Mr. Truman was "agreeable" to a one-package approach to labor legislation, if Congress wanted to do it that way. He said the President said he didn't want to dictate procedure to Congress.

THE FAMILY SCRAPBOOK

By DR. ERNEST G. OSBORNE

Birthmarks

Prominent among the old wives' tales that have come down through the years is the one about birthmarks being caused by some experience the mother has had before the child was born.

Perhaps she ate too many strawberries on a hot day and her youngster's face was marked by a strawberry-like birthmark. Or there's the very common one about being frightened by a mouse. Many a child has a birthmark that parents are sure was caused by such fear.

There is no scientific evidence for any of these stories. The unborn baby is well-protected against such occurrences. Birthmarks are caused by something going slightly wrong in the process of growth before the child is born. In some instances, they seem to have been inherited through one side of the family or the other.

It is wise to have medical treatment early if your doctor advises it. Some kinds of birthmarks can be removed easily in the early months. If the mark is particularly unsightly, you will want to make a special effort to get good medical help so that the child won't be embarrassed as he is growing up.

WASHINGTON CALLING

(Continued from Page Four)

voices are heard more frequently than any others.

Need Constructive Criticism

That is a hazard at this moment when the power of the Truman Democrats is being so broadly consolidated. Constructive criticism, and not a mere yammering of the old shibboleths, is vital.

At the end of this month the Republican National Committee will meet at Omaha, Nebraska. Omaha would seem to be the farthest periphery of exile, since Nebraska was one of the few midwestern states that stayed loyal to the cause on November 2.

What the committee, which contains in uneasy unbalance most of the elements contending for the right to lead the way back to Graustark, can do is hard to see. Something certainly needs to be done if the second of our two majories is to function effectively. And it is hardly enough to wait for time to take its course, since exiles never seem to surrender their blind allegiance to the past.

on the Red Sea apparently are only a token force.

King Farouk of Egypt did not ask for aid because Egyptian Nationalism has prompted him to seek full independence from Britain.

But privately all the Arabs are said to be incensed on the grounds that while Israel has received huge supplies of arms from Czechoslovakia, Britain has given top priority to the embargo decreed by the United Nations and has sent nothing to the Arab armies.

This is disputed by Jewish sources. But the British point to the poor showing made by the Egyptians in all encounters which they say reflects a terrific shortage of arms and ammunition.

But informed sources say that in the hope of eventual peace, Britain will stand by her promises to the U. N. unless provoked beyond all patience.

The first malleable iron fell out of the sky in the form of meteorites. Primitive man regarded it as a gift from the sky gods, and from then on iron became to him a symbol of supernatural power.

Expect Conservative Victory In Japan

TOKYO, Jan. 12.—(INS)—All signs point Tuesday to a Conservative victory at the polls in Japan on January 23 when the nation votes for a new Diet (parliament).

Prime Minister Shigeru Yoshida's Democratic Liberal party, however, is expected to fall short of a majority in the all-important House of Representatives.

Nevertheless, it seems likely that Yoshida will improve his position after the election by cooperation with the second biggest Conservative party—the Democrats—either in a coalition cabinet or through organization of the long-headed "Conservative front".

Ken Inukai, who succeeded Former Prime Minister Hiroshi Ashida as president of the Democratic party, declared in a campaign speech that his party would hold the balance of power. He announced he would be happy "to deal with such parties as will evade no responsibility but will act with force and speed".

William A. Brady, veteran producer and husband of Grace George, recalled, "To keep up morale in my staff, and to fool rival producers and theatrical reporters, I always instructed managers of my road companies to add three hundred dollars to their nightly reports of box-office receipts. The system worked fine until one of them wired, 'Only theater in town burned to the ground this afternoon. No performance. Receipts \$300.'"

THE LITTLE WHITE HEARSE
Seventy-five years ago every undertaker or funeral director had a little white hearse. The little white hearse was kept busy.

At that time in every hundred funerals, 30 of them were of children under one year.

It was not safe to be a baby in those days.

Doctors did not know about germs. The cause of typhoid and diphtheria and dysentery and pneumonia had not been discovered.

Vitamins were unknown. Rickets was common.

A baby was considered lucky to get through his second summer.

Gradually through the years our land has become a safer place for babies.

We have learned about clean milk and pure water and sunshine. We know how to protect babies from contagious diseases a little better.

The little white hearse has disappeared.

The Arctic island Spitzbergen has about the area of West Virginia.

Try And Stop Me

By BENNETT CERF

There's a spry old fellow in Barnstable—ninety-five if he's a day—who runs his business in his own way. Playing checkers in the rear of the store, his opponent said suddenly, "I think I hear a customer up front." "Keep quiet," cautioned the local John Wanamaker. "Maybe he'll decide nobody's here and go away."

Another time he sought a loan of a thousand dollars from the town's leading banker, who was somewhat hard of hearing. "Speak a bit louder," ordered the banker, "and reduce the amount a little."

William A. Brady, veteran producer and husband of Grace George, recalled, "To keep up morale in my staff, and to fool rival producers and theatrical reporters, I always instructed managers of my road companies to add three hundred dollars to their nightly reports of box-office receipts. The system worked fine until one of them wired, 'Only theater in town burned to the ground this afternoon. No performance. Receipts \$300.'"

The Khorassan is the northeasternmost province of Persia—Iran. In the United States, trolley coaches, buses and street cars traveled more than 3,253,800,000 miles last year. This is the equivalent of 136,000 trips around the world.

5 doctors prove this plan breaks the laxative habit

If you take laxative regularly—here's how you can stop!

Because 5 New York doctors now have proved you may break the laxative habit. And establish your natural powers of regularity. Eighty-three per cent of the cases tested did it. So can you.

Stop taking whatever you now take. Instead: Every night for one week take 2 Carter's Pills. Second week—one each night. Third week—no every other night. Then—nothing! Every day: drink eight glasses of water; set a definite time for regularity.

Five New York doctors proved this plan can break the laxative habit. How can a laxative break the laxative habit? Because Carter's Pills "unblock" the lower digestive tract and from then on let it make use of its own natural powers.

Further—Carter's Pills contain no habit-forming drugs. Break the laxative habit... with Carter's Pills... and be regular naturally. When worry, overeating, overwork make you irregular temporarily—take Carter's Pills temporarily. And never get the laxative habit. Get Carter's Pills at any drugstore for 35¢ today. You'll be grateful the rest of your life.

but of votes of payroll dependents and relatives and friends.

Now, in all probability, the job-holders are resting easily. The Dewey threat is removed. And the fact that ever since last January the federal employment rolls have been increasing at the rate of fifteen thousand to twenty thousand a month indicates no curtailment of jobs for the faithful.

Thus one hope of cutting government expenses by several million

dollars a year flies out of the window. The ship of state will have to flounder along for four more years with an increasing band of barnacles.

RUTH CIRCLE HEARS TALK ON "CHINA"

Mrs. Mary Goodman, of 704 Neshannock Blvd., entertained the Ruth Circle of the First Methodist church in her home, Tuesday evening.

Mrs. Hazel Holsappel, president, presided at the regular business meeting and was also leader of the devotional period.

Mrs. Helen Lockley gave an interesting talk on the study book "Tales of China."

Mrs. Bertha Hess, who at one time was counselor of the group for a number of years was feted with a birthday party. A large tiered and candlelight birthday cake was presented to her along with a lovely gift from the group.

Delicious refreshments were served by Mrs. Goodman and her group, consisting of Mrs. Margaret McCormick, Mrs. Bernice Sloan, Mrs. Leone Hoscher and Mrs. Harriet Thompson.

The next meeting will be February 8, at which time Mrs. Dorothy Phillips and her group will be hostesses.

W. D. N. Club

Members of the W. D. N. club were entertained in the home of Mrs. Francis Florida, of John street, on a recent evening.

Cards were the diversion of the evening, with prizes going to Mrs. Joe Booth and Mrs. William Attaway. Special feature of the evening was a hankiechief shower in honor of the birthday of Mrs. Everett Schell. A delicious lunch was served by the hostess, assisted by Mrs. Ben Clarke.

The next meeting of the club will be Thursday, January 20, in the home of Mrs. William Attaway, of Atkinson street.

1919 Club

Mrs. Agnes Lorenz, of Park avenue, entertained members of the 1919 club in her home, Tuesday evening.

Cards were the pastime of the evening, and at a late hour the ladies were invited to the dining room, where the hostess served a delicious lunch.

The next meeting will be held in the home of Mrs. Charles McClelland, of Croton avenue, Tuesday evening, January 25.

FORMER LOCAL MAN MARRIED IN TEXAS

With the Christmas tree in the living room of her home as a background, Miss Dorothy Riley, daughter of Rev. and Mrs. P. W. Riley, of Route 12, Fort Worth, Texas, became the bride of Duane A. Dougherty, son of Mr. and Mrs. Charles B. Dougherty, of New Castle, R. D. 6 at 7 o'clock in the evening on Christmas Day.

The bride's father officiated at the exchange of vows, using the double ring ceremony. The bride wore a pale blue gown with a corsage of orchids and carried a white Bible.

Dinner was served at the residence following the ceremony. Mr. and Mrs. Dougherty have taken up residence at 4132 Wayside drive, Fort Worth.

She attended Texas Christian University and he, a veteran of World War II and a graduate of Shenango high school and Pittsburgh Institute of Aeronautics A&M, is employed at the Consolidated Vultee Corporation in Fort Worth.

Sokevit-McConnell

At a quiet ceremony, performed in the office of Justice of the Peace, Thomas McClain, 126 S. Diamond street, Mercer, Miss Dorothy Sokevit, daughter of Mr. and Mrs. W. J. Sokevit, 1046 Backford street, became the bride of John F. McConnell, son of Mrs. John F. McConnell, of 705 Oak street, December 29.

The bride was attended by her sister, Miss Marian Sokevit and William Wood served the groom as best man.

Following a short wedding trip to Buffalo, N. Y., the couple is now at home to friends at 705 Oak street.

Mrs. McConnell is employed at the Strouss-Hirschberg Co. and Mr. McConnell is employed at the Johnson Bronze Co.

All-Together Club

Mrs. Assunta Sabelli and Mrs. Rose Coll, of the All-Together club met Monday evening and were hostesses in the South Mill street club rooms.

Cards and other diversions were enjoyed, with high score trophies going to Mrs. Mary Ross, Mrs.

Seventh Ward

Club Gets Report On Christmas Lighting

Financial Obligations Will Be Met; Discuss Securing Scoutmaster For Ward Troop

Members of the Seventh Ward Civic club, gathered on Tuesday noon, for their regular meeting, in Hyde's Drug Store, with Eldred Uby, presiding.

Minutes were read and approved. Manning Weller made a report on behalf of the Christmas lighting committee, and that the financial obligations would be met satisfactorily. The remaining portion of the waste paper and scrap iron collected, would soon be sold, and proceeds used to defray lighting bills.

President Uby made a report regarding the ward and scout troop, and that the club is seeking a scoutmaster to head the group. Any man, above the age of 21, who is interested in this leadership, is asked to get in contact with officers of the club.

Next meeting of the club will be Tuesday, January 18, at the regular meeting place.

Deer Escapes Death From Freight Train

J. H. McCann, of West Clayton street, engineer on No. 92 freight, B. and O. railroad between New Castle and Willard, Ohio, reports that a doe deer narrowly escaped

death on Monday evening under his engine.

About 11:00, Mr. McCann's engine and train were approaching the limits of Mahoningtown, enroute from Willard, when his headlights showed him the deer, crossing the P. and L. E. R.R. tracks, but it suddenly stopped and "allowed" the train to go by, a close call.

Report Ward School Saving Stamp Sales

From the office of Mahoning school, it is reported that since the beginning of the school term in September, the pupils have purchased government savings stamps, amounting to \$1,337.40. Class 5-202 is in the forefront with \$161.95 worth of stamps purchased, and 7-203 class, a close second with \$156.15.

Class 9-207 accompanied Mahoning junior high basketball team to Sharon, on Monday evening, for a game with Sharon junior high team in their senior high school gymnasium.

William Smith, their teacher, supervised the group, who enjoyed the trip, and did lots of singing, despite loss of the game to Sharon.

Rev. Rainey Speaks At Service Tonight

At the United Prayer service, this evening, 7:30, at Mahoningtown Methodist church, Rev. James N. Rainey, of Central Christian church, will be the speaker, talking on his theme, "The Need Of Prayer."

The choir will meet following the service.

Pastor To Attend District Meeting

On Thursday, Rev. J. L. Petrie, of Mahoning Methodist church, expects to attend the Grove City District Methodist ministers' meeting at Methodist church, Mercer.

St. Margaret Group To Install Officers

On Thursday evening, at 7 o'clock, members of St. Margaret's Council No. 74, will meet in St. Margaret's hall, when there will be initiation and installation of officers, elected for 1949.

Representatives from the National Executive Council of Pittsburgh, will be present to perform the exercises. Refreshments will be served after the initiation.

Brakeman Suffers Fracture Of Ankle

Francis J. Morris, aged 25 years, of 2114 W. Market street, Warren, O., was treated at the Jameson Memorial hospital on Tuesday for a fracture of the right ankle, received while at his work in the Lawrence Junction yards.

Mr. Morris stepped from a locomotive, and fell fracturing the ankle.

SEVENTH WARD NOTES

Regular meeting of the M.E.G. Auxiliary will take place on Thursday evening at 8 o'clock at the home of Mrs. Arthur Brown, of 302 East Leasure avenue.

This evening, at Mahoningtown Presbyterian church, the annual meeting of the congregation and corporation, at 8 o'clock.

Mr. and Mrs. R. E. Conway, North Beaver Township, have left for a trip to Huntington, W. Va., where they will visit with their son Robert and family, for about a week; then on to Tampa, Fla., for a week's visit with another son, Edward and family. The next stop is expected to be Galveston, Texas. The Conways are well known in the ward; they will be gone about six weeks.

It is reported that the water in the Mahoning avenue pond, is all ready to be again frozen. Youngsters in the ward are anxiously awaiting for that to happen, as many enjoyed the skating there, a little over two weeks ago.

Mr. and Mrs. Mike Tomason, of 616 North Cedar street, have returned from Edenburg, where they recently attended the 50th wedding anniversary of Mr. and Mrs. Louis Minetti.

Carmen Conti, of Sacramento, Calif., has returned, after spending the Christmas vacation, with his parents, Mr. and Mrs. Tony Conti and family, of 216 West Wabash avenue.

Good News For Folks Who Suffer From

✓ STOMACH GAS
✓ SOUR FOOD TASTE
✓ ACID INDIGESTION

Do you feel bloated and miserable after every meal, taste sour, bitter food? If so, here is how you may get blessed relief from this nervous distress.

Everytime food enters the stomach a vital gastric juice must flow normally to break-up certain food particles; else the food may ferment. Sour food, acid indigestion and gas frequently cause a morbid, touchy, fretful, peevish, nervous condition, loss of appetite, underweight, restless sleep, weakness.

To get real relief you must increase the flow of this vital gastric juice. Medical authorities, in independent laboratory tests on human stomachs, have by positive proof shown that SSS Tonic is amazingly effective in increasing this flow when it is too little or scanty due to a non-organic stomach disturbance. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps build-up non-organic, weak, watery blood in nutritional anemia—so with a good flow of this gastric digestive juice, plus rich red-blood you should eat better, sleep better, feel better, work better, play better.

Avoid punishing yourself with over-doses of soda and other alkalis to counteract gas and bloating when what you so dearly need is SSS Tonic to help you digest food for body strength and repair. Don't wait until you lose the love of happy people SSS Tonic has helped. Millions of bottles sold. Get a bottle of SSS Tonic from your drug store today. SSS Tonic helps Build Sturdy Health.

Marinsky Funeral To Be Held Thursday

Drowning Victim Will Be Buried
In Greenwood Cemetery
Here

Funeral services for Nicola Marinsky, also known as Nick Medinsky, who was found drowned in a reservoir at Hillsville, Monday morning, will take place from the Cunningham funeral home, at Bessemer on Thursday afternoon at 2 o'clock. Rev. Jerome Ahlstedt will have charge, and burial will be in Greenwood cemetery here. Coroner Charles E. Allen today stated that he is convinced that Mr. Marinsky's death was purely accidental. After the small reservoir had been drained, his bucket and flashlight were found at the bottom of the pool, and it is believed he slipped in while getting

water, and was unable to climb up the steep, slippery side of the pool. Friends may call at the Cunningham funeral home to view the body at any hour.

Dr. C. W. Cochran To Conduct Services

Preparatory services for the observance of communion on Sunday will be conducted this week in Mt. Hermon and Princeton Memorial Presbyterian churches. "The Soul and The Spirit" will be the theme of Thursday evening's service at 8 o'clock in the Princeton church. The same theme will be used at the meeting Friday evening at 8 o'clock in Mt. Hermon church. The sacraments of baptism and communion will be administered next Sunday at 11 in the Princeton church and at 11:30 o'clock in Mt. Hermon church. New members will be welcomed into the congregation at both services.

First Blood Donated In Emergency Under New Red Cross Plan

Thanks to the blood donor program instituted by the Lawrence county Red Cross chapter in co-operation with the Lawrence County Medical society, an emergency call from the Jameson Memorial hospital Monday for a particular type of blood was answered immediately.

The call was answered by Guerin Buonpane of 309 E. Division street. Mr. Buonpane is a machinist at the Standard Steel Springs company, and when informed of the emergency, he reported with-out delay at the hospital and donated a pint of blood. This is the first instance that blood has actually been given under this great peacetime program of the local Red Cross chapter. Many others have also registered and have had their blood typed and classified.

Incidentally, this is not the first time for Mr. Buonpane to donate blood. During World War II he responded at the call for blood for fighting men. "The great need for blood is again emphasized," said Dr. William E. Goodpastor, member of the blood donor medical advisory committee, and "this project is one of the most far-reaching programs of our time; and it is hoped that many others will respond to the appeal to assure an adequate supply of blood for our Lawrence county hospitals."

Senate Office Pilferer Nabbed

Negro Janitor Taken On Suspicion Of Long Series Of Petty Thefts In Senators' Office

WASHINGTON, Jan. 12.—(INS)—District of Columbia police announced Tuesday that "the case of Vice President-elect Barkley's ham and Sen. Bridges' shoes", has been solved.

The solution, according to Lieut. Mike Dowd, was accomplished at 4:30 a. m. in the shadowy corridors of the Senate office building, when he nabbed William Dudley, 36, a Negro janitor, on suspicion of engineering a long series of petty thefts.

Dowd said Dudley admitted prowling senatorial offices in the after-midnight hours over a period of weeks and pilfering "enough stuff to start a general store".

According to the lieutenant, several hundred dollars worth of the senatorial loot was recovered in Dudley's home, including:

A smoked ham, a gift to the vice president-elect from his admiring constituents, stolen from the Kentuckian's office; a pair of shoes taken from the office of Sen. Styles Bridges (R) N. H., and a radio lifted from the office of Sen. Elmer Thomas (D) Okla.

The recovered items also included electric razors, bottles of choice bourbon, and a number of other items whose owners have not yet been identified.

Believe Guam Slaying Solved

Guam Authorities Jail Three Suspects In Slaying Of Pretty Shop Clerk In December

GUAM, Jan. 12.—(INS)—Guam authorities expressed belief Tuesday they have solved the rape-murder of beautiful Ruth Farnsworth following a "confession" by one of three suspects now in custody.

The suspects were described as American Negro soldiers stationed on Guam. Their names were not disclosed.

Miss Farnsworth, 27-year-old San Francisco woman employed by the U. S. Navy on Guam, was found dying December 13 in a jungle patch 200 yards behind a jade curio shop where she worked in her spare time.

She had been abducted from in front of the jade shop two nights earlier.

Announcement of the confession by one of the three suspects was made by Navy Commander James P. Hackett, who is on a one-year leave of absence from the Chicago police department.

Hackett said the suspect admitted being present at the jade shop and seeing his companions, the other two soldiers, slug and carry off Miss Farnsworth.

The other two suspects, Hackett said, have thus far admitted nothing.

The naval officer added, however, that "the case is in the bag".

The three soldiers were apprehended and jailed as suspects on the basis of information supplied by the proprietor of the jade shop, who said the men had tried to "date" his women employees before the Farnsworth slaying.

There will be a regular meeting of the Knights of Columbus Council this evening at 8 o'clock in the club rooms, 349 1/2 East Washington street. Grand Knight William J. Howley will be in charge.

Marine Recruiting Personnel Changes

S. Sgt. Edward J. Laughlin replaced Tech. Sgt. John C. Haywood as non-commissioned officer-in-charge of the New Castle district Marine recruiting station.

Sgt. Laughlin, a veteran of seven years in the Marine Corps, comes to New Castle from a similar assignment in Johnstown. Previously he served with the First Marine division when it made the historical landing on Guadalcanal in August, 1942. He was there until the Marines were relieved in December of that same year. Since then the sergeant has served in New Zealand, Australia, Washington, D. C., and returned from Pearl Harbor a little more than a year ago to begin recruiting duty.

Sgt. Haywood has been ordered to report to the fleet Marine force, Atlantic, for sea duty.

S. Sgt. Thomas Rafferty remains in New Castle as an assistant to the recruiting officer.

The other is one of the most playful of animals. Young and old are fond of romping games in grassy places in summer as well as in snowbanks in winter.

New Device Like Gas Mask, Designed to Heat Air Before Breathed By Humans

WASHINGTON, Jan. 12.—(INS)—An official navy publication revealed Tuesday development of a device designed to assure human survival and comparative comfort under cold conditions that otherwise would cause death.

The device is a small mask, comparable to a lightweight gas mask without eyepieces, designed to heat air before it is breathed. The Bureau of Personnel's magazine All Hands explains that approximately 40 per cent of heat loss suffered by humans in extremely cold weather is the result of the necessity of transferring body heat to inhaled air before it enters the lungs.

The magazine said that in experimental usage, the mask, known as an Arctic breather, would raise air at 70 degrees below zero to 64 degrees before it was inhaled, and that air 14 degrees below zero was raised to 75 degrees.

These results were obtained with an experimental model of the Arctic breather, and the Navy hopes that further development will increase efficiency to the point that inhaled air will be almost the same as body temperature, about 98.6 degrees Fahrenheit.

The Arctic breather was developed by Dr. Norman E. Phillips and Loyal Goff, of the University of Maryland.

The device is extremely simple, and works on the principle of heat transference. Exhaled air passes through tubes which form the walls of other tubes through which air is inhaled. Thus the exhaled air actually warms the air being breathed.

To Increase Imports
Of Manganese Ore

Attorney General Authorizes Steel Industry To Allocate Steel For Car Manufacture

WASHINGTON, Jan. 12.—(INS)—The United States took action Tuesday which will eventually increase the importation of manganese ore from South Africa to this country.

Manganese ore is vital to the manufacture of steel and most of the manganese used in the United States is imported.

Attorney General Clark authorized the steel industry to make special steel allocations totalling nearly 29,000 tons for the production of ore carrying freight cars and mining machinery.

Published reports last week that Russia is planning to cut off manganese shipments to the United States ran into a wall of silence.

The Soviet Union has been shipping about 25 per cent of the manganese imported by this country. Other U. S. sources of supply, in addition to South Africa, are Brazil, India, Chile and Rhodesia.

Clark's plans, effective next month, provide for the allocation of 26,400 tons of steel for the production of mining machinery and repair parts and 2,576 tons for the manufacture of ore cars by Canada.

The Commerce department, in announcing Clark's action, said that the cars will be used by South Africa "for transporting manganese bearing ore from South Africa mines to tidewater." A Commerce statement added:

"The program is expected to result in additional shipments of manganese ore for the U. S. government strategic materials stockpile."

Commerce officials said that the plan will enable Canada to build about 2,000 additional ore cars by next September 30.

Gold Hoarding Is On Increase

WASHINGTON, Jan. 12.—(INS)—Gold hoarding is on the increase in the United States and treasury officials said today they may ask Congress to tighten up gold ownership restrictions.

Officials emphasized that no definite decision has been reached but they have been discussing increased violations of the Gold Reserve Act since the end of the war. The Gold Reserve Act makes it unlawful for Americans to own pure gold unless it is in its so-called natural state which includes gold dust, nuggets and flakes. A treasury official said:

"Gold hoarding violations have been sporadic during the past year although since the end of the war they have been increasing. The treasury is studying the situation, of course. Whether anything is done still is to be determined."

Air Force Slashes Future Orders To Meet New Budget

WASHINGTON, Jan. 12.—(INS)—The air force slashed its future orders of new airplanes to bring expenditures in line with President Truman's budget message.

Future orders for 30 jet-powered Northrop RB-49 flying wing bombers; 118 North American F-93 fighter planes (formerly known as F-86C) and a number of transport planes and helicopters were cancelled.

The air force said that cancellation of production plans for these aircraft would free approximately 200 million dollars for the procurement of "a substantial additional number of B-36's and extensive modernization and improvement of other B-37's and B-50's, which are now on contract."

The B-36—a six-engined bomber and the largest in the world—and the B-50, a modification of the B-29, comprise the backbone of the air force heavy bomber fleet. In steelmaking, the use of a ton of scrap in place of a ton of pig iron saves about 3 1/4 tons of natural resources, because scrap, refined previously, does not require as much processing as pig iron.

Around Hollywood

By FRANK NEILL

(International News Service Staff Correspondent)

HOLLYWOOD, Jan. 12.—Times are tough these days in movietown. And maybe that is why, beginning next Monday, Hollywood will launch National Thrift Week with a bang.

Bill Thompson, the "Wallace Wimple" of the Fibber MacGee and Molly show, will parade down Vine street in a pair of Scotch kilts, straining his tonsils on a bagpipe.

Plan of operations calls for him to wind up his one-man procession at the bank Jack Benny salutes every time he passes.

Thompson will pose for "the world's most horrible leg art," haul a wad of stage money from his stockings and plant it with a pretty blonde teller.

Stars All Save
Cameras will click, all characters involved will get their mugs in the papers, press agents will have earned their dough—and another "week" will have been foisted on the nation.

But it won't change the thrift habits of many movie celebrities.

PROVES WONDERFUL FOR ITCHING SKIN RASH!

First applications of Zemo—a doctor's wonderful stainless, invisible antiseptic—promptly relieve itching, and aid healing of Rashes, Eczema, Psoriasis, Ringworm and similar surface skin and scalp irritations. Zemo is backed by amazing record of success. First trial of Zemo convinces.

You'd be surprised at the way some of your favorite movie stars practice saving.

Greer Garson, for example, never throws away strings or ribbons from packages. She has drawers full of them.

Almost Extremes
Thompson, himself, smokes his cigars down to an ash. In fact, he has been treated twice by medics in the past year for burned lips.

And Gracie Allen economizes on George Burns' cigar smoking by hiding all the matches in the house.

Joan Bennett is Hollywood's most fearless light-turner-outer.

Doctor Michael Curtiz, a careful budgeter, skips lunch every day.

Jean Hersholt, bossman of the Academy of Motion Picture Arts and Sciences and star of the Dr. Christian show for a decade, wears five-cent pencils down to one-inch stubs. His pockets are usually filled with them.

No Nail Polish
Doris Day washes her own tresses and she never uses nail polish.

George Montgomery, whose pride and joy is a garage workshop, saves old hacksaw blades which he breaks up to use as pipe reamers.

Jo Stafford is an ardent bottle-returned. She makes sure that all empties are returned to the store so she will get her deposits back.

Dorothy Lamour saves chunks of lipstick, chucks them in a jar and then applies the rouge with a brush.

Jim Davis saves cigarette butts—and then smokes them in a holder.

Atwater Kent, Hollywood's most fabulous party-thriller, hates to part with magazines. His estate is crammed with trunks and closets full of old publications.

BEAVER TWP.

MISSIONARY SOCIETY

The Hallie Shannon Missionary society of the Rocky Spring U. P. church met Thursday evening in the home of Mrs. James Beatty, of Big Beaver township. Mrs. William Ingle was the leader of the devotional period and Miss Nannie Kelso conducted the mission-study book on China. Baby shawls have been hemmed and the Columbia hospital at Wilkesburg and the members plan now to complete work on a quilt top and assist with the papering at the parsonage.

W. M. S. MEETING

The Women's Missionary society of the Rocky Spring U. P. church met Wednesday afternoon in the home of Mrs. Carl Gray with Mrs. Viola Baker as leader.

LADIES CLUB

The Big Beaver Grange Ladies club will meet Tuesday, January 18, at 12 o'clock when hostesses will serve lunch to be followed by a program by the December hostesses, after which there will be a W. C. T. U. meeting.

BIG BEAVER GRANGERS
The Big Beaver Grangers will present their play "Everybody Gets Married" in North Beaver Grange hall Monday evening, January 17.

EAST BROOK GRANGERS PLAY
The East Brook Grangers will present a sparkling three-act comedy, "Mitzi Mixes In" at the Big Beaver Grange Thursday evening, January 20. This will be the third in a series of six plays being presented in Big Beaver Grange hall. "Mitzi," a French maid has a dialogue consisting of "Oui" and "Non" but still manages to play a very important role. The members of the cast are Kenneth Kaufmann, Herb Wilson, Charles Scott, J. E. Oesterling, Mrs. Charles Corman, Flora Nessel, Eleanor Patterson, Lena DeSalvo and Mrs. Charles Scott.

BEAVER TOWNSHIP NOTES
Recent callers in the McHattie home in Little Beaver township were Mr. and Mrs. Charles Marshall, of Youngstown, O. Mr. and Mrs. M. C. Marshall, of Beaver, Miss Tina McCown and Miss Alice Harvey, of Darlington, Pa. Mr. and Mrs. J. Sleath McAnlis and family, of Barborton, O., and Mr. and Mrs. Lawrence Moore and son, George, of Beaver, were visitors in the home of their parents, Mr. and Mrs. George McAnlis, Sunday. Several people of the community are attending the Farm Show in Harrisburg this week.

MANY FROM COUNTY ATTENDING FARM SHOW

Lawrence county will be well represented at the Pennsylvania Farm Show, January 10 to 14, at Harrisburg.

In the group will be some farmers who are entering competitive exhibits of livestock. These include Guy Fullerton, North Beaver township, showing hogs and sheep; John Clark, North Beaver township, showing hogs; Reed Miller of Pulaski township, showing hogs; also J. B. Jameson of Hickory township, showing hogs.

George Weinschenck, Shenango township, will take part in the meetings of the Pennsylvania Vegetable Growers Association.

Among other exhibits from Lawrence county will be 4-H clothing club work. Garments made by 4-H club members of Lawrence county have been entered in the 4-H clothing classes. These garments were made during the 4-H club season this past summer.

The girls who entered garments are Corrine Clement, Edith McAnany, Betty Fox and Sue McKnight of the Basting Brookers club of Hickory township.

An exhibit from the Big Beaver Township Room Improvement club was also entered. This was the room improvement unit made by Miss Marjorie McAnlis.

The exhibits of these girls are competing against those of other

4-H club members from all parts of Pennsylvania.

HOMEMADE DEVICE TREATS SEED GRAIN

A satisfactory mixing device for treating seed grain can be made inexpensively at home from a small amount of lumber. Plans can be obtained at the Agricultural Extension office, 206 Post Office building, New Castle. A number of Lawrence county farmers have made mixers from these plans and have found them practical and effective.

Construction of these machines, which do a thorough job of mixing the treating materials with the seed, requires only a few hours of work and little expense. They can be a part of the permanent equipment on any farm.

All seed coats should be treated with new improved Ceresan (one-half ounce per bushel) for control of smuts, leaf blight and foot rots.

The treater can be mounted against the wall of the barn, on a table or wagon box. Seed and treating materials pass down by gravity through a series of baffles. Grain caught in bags conserves the fungicide.

STOMACH AILMENTS, WEAK KIDNEYS,
RHEUMATIC PAINS, ARTHRITIS, NEURITIS
And such complaints as Headaches, Nervousness, Acids, Bloating,
Lack of Vitality, Energy, Poor Appetite Underweight, Dizzy Spells,
Drugless Health! Read What They Say!

NO MATTER how long you have been suffering from stomach, kidney and rheumatic distress, and what drugs you have tried before, you can now hope for relief if you take GEO-MINERAL. With your eyes SEE the results seven days after you start taking it.

DRUGGISTS, Chemists cannot make GEO-MINERAL. It comes from the earth—Nature's laboratory. Contains NO dope, NO alcohol, NO oil. ONLY Nature's minerals—the oldest, most reliable remedy for rheumatism, arthritis, kidney and stomach ailments.

Wonder Minerals
FOR THOUSANDS of years sufferers, on advice of doctors, go to mineral springs to get cure, or relief. The late President Roosevelt used to go to Mineral Springs in Georgia. He was helped or would not have gone there twice a year.

WE HAVE all heard of the miraculous springs of Lourdes, France, and famous Thionin in ancient Greece, where, according to legend, Hercules, the god of eternal strength and youth, drank its waters and bathed to be forever young.

IF YOU ARE a sufferer, and can not go to the mineral springs, try GEO-MINERAL which contains a blend of the same minerals that can be found at the world's best springs. The minerals in it may work miracles.

Amazing Results
WATCH your elimination from your bowels two or three days after you start using GEO-MINERAL. The waste, black as coal, will break away and you will SEE it! Also examine your urine. You may see impurities—poisonous waste—coming out of your kidneys, and feel the relief. Be sure to watch for all this to realize its priceless value.

MEDICAL records show 65% of men and women over 35 suffer from nutritional mineral-iron anemia. When you feel nervous, dull, tired, lazy, have dizzy spells, no ambition to work or play, a poor appetite when your eyes lack that bright spark and your mind brilliance, when headaches get the best of you, and you feel old before your time, and life seems not worth living, with worry wearing you down—it may be simply lack of minerals in your blood. GEO-MINERAL is then what you need.

100% Guaranteed!
WE URGE everyone to try GEO-MINERAL. Do not hesitate one moment. Go to your drug store now. Get one bottle. Use it one week. If you are not 100 per cent satisfied, we will refund your money. REGARDLESS of how long you have been suffering, and how many medicines you have tried before, GEO-MINERAL may be the remedy you need!

TRY it today! It may do wonders for you—and be the best investment for your health. Make you feel, eat, sleep, work and enjoy life better. GEO-MINERAL: 1 bottle \$1.16, 6 for \$6.00

Peace Time Draft More Burdensome

Only Small Number Being
Inducted But Job Pro-
portionately Harder

OTHER NEWS OF STATE AFFAIRS

HARRISBURG, Jan. 11.—(INS)

The nation's peace time draft, mild as it may seem in comparison to the hurly-burly of World War II, is more burdensome today than in war years, according to Lt. Col. H. M. Gross, State Selective Service director. "It is pertinent to observe that the fact that we are now inducting only a fraction of the number we were inducting only a fraction of the number we were inducting during World War II doesn't make the job proportionately easier," he said. "In some ways it's even more difficult, takes a greater nicety of judgement when you're called on to induct one out of 10 instead of nine out of ten." He pointed out that the state's draft setup embraced 175 local boards compared with 422 during the war. Some boards operated for a time with only a half-time clerk until authorization was secured from national headquarters for full time, he added. Board members are not paid, Gross said, except in terms of satisfaction of performing a patriotic service, without fanfare and sometimes without criticism.

The Pennsylvania Turnpike commission has reported income on the Irwin-Middlesex link of the express highway amounted to \$5,600,000 during 1948. At least one half of the total was paid by vehicle operators from outside the state. Approximately 6,000,000 tons of material were moved over the Turnpike during the year and the commission said the truck traffic thus was diverted from highways used by the motoring public. Since the Turnpike was opened in October 1940, the State Revenue department has collected \$2,000,000 in taxes from gasoline sold by concession-stations on the toll road. The money is not returnable to the commission but is poured into the State Highway Motor Fund for construction of free roads.

The westward trend of population between 1900 and 1947 was underscored in a report of a legislative committee named to study industrial economy in Pennsylvania by the Joint Government commission. In 1900, Pennsylvania contained 8.29 per cent of the nation's total population and 10 years later reached a peak with 8.33 per cent. Between 1910 and 1920 a decline started and in 1920 the state's percentage of the national population total was 8.25. In 1930, it had dipped to 7.84 per cent. In 1940, when Pennsylvania was what former Governor James liked to call the "arsenal of democracy," the state embraced 7.52 per cent of the national population and in 1947 it had dipped to 7.33. While Pennsylvania was losing ground, New York gained in population between 1900 and 1940 but during the last seven reported years the Empire state's total began to fall. In contrast, the committee disclosed that California's percentage of the national total was 1.95 in 1900 and 6.84 in 1947.

The Pennsylvania truck industry's biennial battle with the General Assembly for increased truck weights will be resumed during the 1949 session. Specifically, the Pennsylvania Motor Truck association wants a gross weight of 50,000 pounds, instead of 45,000 pounds, for tractor-trailers. Tractor and tandem axle semi-trailers should be boosted to 62,000 pounds, the single axle restriction should be upped from 20,000 to 22,400 pounds, according to the association. There is much opposition to the industry's program due to the difficulty and cost under inflated prices of repainting roads damaged by wartime traffic.

Youthful Slayer's Appeal Is Denied

Young Farm Hand Convicted Of
Hammer Slaying Of Mechanic—
burg Farmer Denied Retrial

PHILADELPHIA, Jan. 12.—(INS)—The State Supreme Court Tuesday denied the appeal of a young Mechanic, Pa., farm hand convicted of the hammer murder of Herbert Humpert, 70-year-old Biglerville, Pa., farmer.

The conviction of Ray T. Simmons, 24, was upheld by the high tribunal which described the slaying as being of a "revolting nature."

Simmons and another farm hand, Robert Staley, were found guilty of the crime by the Adams county court last July. Death in the electric chair was decreed for the convicted slayers.

Simmons' attorney claimed before the high court that Adams County Judge W. S. Sheely made "several substantial trial errors."

It was also contended that Judge Sheely refused a defense motion for a change of venue on the ground that newspaper articles in the Gettysburg Times created "so great a prejudice against the defendant that he could not obtain a fair trial."

The two farm hands were charged by the commonwealth with going to Humpert's farm "for the sole purpose of robbing him when they heard that he had \$5,000 hidden in his home."

Humpert was beaten severely with a hammer and left dying on the ground, the state contended, while the convicted men searched his home for the purported \$5,000.

According to the state, the pair found only \$129 which they split.

Castlewood Church Plans Convention

Castlewood Tabernacle of the Christian and Missionary Alliance will open its annual missionary convention this evening at 7:30 o'clock in the church, with two missionaries and a Bible teacher on the program.
Rev. W. A. Paul will represent

Court Directs Verdict In Case

Judge Braham Orders Verdict For Defendant In Damage Suit Monday

OTHER EVENTS IN COURT HOUSE

Following the closing of the plaintiff's case, Judge W. Walter Braham ordered a verdict for the defendant in the case of Thomas Minner versus the Western Electric Company.

The case was one in which Mr. Minner claimed \$8926.09 for damages following a collision between his tractor and a car driven by Charles T. Bobchuck, an employee of the defendant company. The accident occurred west of New Wilmington on February 11, 1948. In the collision Mr. Bobchuck was killed.

Attorney Alvah M. Shumaker for the defense contended that the Western Electric Company was not responsible for the actions of Mr. Bobchuck, although he was an employee. It was contended that his method of getting from Pittsburgh to Sharon was not specified by the company and hence there was no liability.

With this view the court agreed and ordered a directed verdict.

PLEADS SURPRISE

The case of Reed Lutton against James C. Harvey was continued by Judge John G. Lamoree when the plaintiff's pleaded surprise following an amendment to their pleadings. The defense asked for and received the court's permission to amend the claim to which the plaintiff pleaded surprise. The court upheld the claim and continued the case.

JURY TRIAL IN DIVORCE

In court room number one before Judge Braham Monday afternoon the divorce suit of Benjamin F. Harry against Grace N. Harry was started. This is a divorce suit in which a jury trial was demanded. A previous divorce action resulted in a refusal of the decree. Deserter is charged.

Continue Checking Donora Citizens In Recent Fumes Deaths

DONORA, Pa., Jan. 12.—(INS)—Nurses have begun a house-to-house case history inquiries in Donora today as the United States Public Health Service continued a large scale investigation of the cause of air pollution which killed 21 persons last October.

The investigating project, which includes two doctors, six industrial engineers, four nurses, two sanitary engineers and a laboratory technician, set up headquarters in the Municipal Building Monday.

Industrial engineers will check samplings of the air in the community and in the American Zinc Products Company plant. A further survey of atmospheric conditions was planned by sanitary engineers.

Money for the project has been provided by a special appropriation from the Borough treasury and a

\$10,000 grant from the United Steel Workers of America, CIO. In a prior survey by Donora Borough officials, 4,218 residents claimed to have been affected by the smog which blanketed the town during the fatal October weekend.

Northern Ireland Will Retain Name

LONDON, Jan. 12.—(INS)—Northern Ireland is expected to retain its traditional name instead of switching to "Ulster" when Eire is proclaimed a republic within a few weeks.

Whitehall circles said Tuesday that this decision was reached at a conference of British and Northern Ireland officials.

The British Cabinet tomorrow will consider a special bill altering the king's title to include "Northern Ireland" instead of "Ireland" as at present, acknowledging the end of any royal sovereignty in connection with the new republic of Ireland.

Anti-Filibuster Move To Be Fought

Dixie Democrat Senator Ellender Will Fight Such Legislation With Filibuster

WASHINGTON, Jan. 12.—(INS)—Sen. Ellender (D-La.), said Tuesday that he will fight any Senate anti-filibuster move with a filibuster and he believes that at least some of his Dixie colleagues will join him.

The Louisiana Democrat said he will take the floor to fight "until the breath is out of my body" the middle-of-the-road gag rule by which both administration and GOP senators are hoping to avoid an all-out fight by southerners, Ellender said.

"I will fight any anti-filibuster move at all to the nth degree. That absolutely means a filibuster. I have not talked to my southern colleagues about it, but I am sure that most of them feel as I do."

Ellender went on to say that "this move is made simply to put over the President's civil rights program." He added:

"If the proponents succeed in amending the Senate rules I don't believe we can stop civil rights legislation."

Ellender's filibuster threat came as the Senate GOP leadership lined up behind a "moderate" anti-filibuster plan.

Earned Income Blanks Available

City officials have appropriated \$26,000 for the operation of the General Personal Property Tax bureau, of which Louis M. McClung is the receiver.

Mr. McClung today reported he had received earned income blanks from the printer which can be had by those wishing to make returns at his office in the city building annex, East street.

Stamp Club News

New Castle Stamp club will hold its regular and first meeting of the new year on Thursday evening, January 13, at 8 o'clock in the Y. M. C. A., when plans will be laid for activity of the club during the ensuing year. During the same period the senior club members are meeting, junior stamp savers will assemble.

Mrs. Fred Hinkle will be in charge of the stamp quiz for the evening with several blocks of stamps to be awarded to the one winning the door prize. New members will be received during the evening.

Woman Discovers Economical COUGH RELIEF!

"I'm through paying fancy prices for cough syrup! I've discovered PINEX. Simply by adding sugar and water to the concentrated medicinal PINEX ingredients, I get my cough syrup at about 1/4 the usual cost. I've tried them all and I've never found a more effective, faster-acting cough relief." That's what millions have been saying about PINEX for over 40 years. PINEX brings quick, effective relief for coughs due to colds because it's a real cough medicine. And you get about 4 times as much for your money simply because you add the inexpensive simple syrup. No need to pay high prices for a good cough syrup. Get PINEX at any drug store. Guaranteed to satisfy.

Announce Speakers For Shenango YMCA Third Anniversary

Director Eddie Smith of the Shenango Street branch, Y. M. C. A., today announced the speakers that will be on the Saturday night third anniversary celebration of the branch.

Atty. Clarence Robinson, well-known Youngstown civic figure, and James Smith, executive secretary, West Federal Street branch Y. M. C. A. in Youngstown, will deliver the principal addresses. Both

of these men have been keenly interested in the development of the Shenango Street branch in New Castle. Other prominent men present will be asked to say a few words.

Director Smith has announced that the anniversary meeting will be open to the public and light refreshments will be served at the conclusion of the speaking part of the program.

In mythology Echo was a nymph who fell in love with Narcissus. When he died she pined away from grief and died, preserving nothing but her voice, which repeats every sound that reaches her.

President Salutes Arkansas Governor

**Sends Treasury Secretary Snyder
To Represent Him During
Inaugural Ceremonies**

LITTLE ROCK, Ark., Jan. 12.—(INS)—President Truman saluted Gov. Sidney McMath of Arkansas Tuesday and sent Treasury Secretary Snyder to represent him at the governor's inauguration.

Snyder, who was born only a few hundred miles from the Arkansas capital, told a huge inauguration crowd that the United States "needs only an era of world peace to enable us to retain our levels of social and economic progress in America." He added:

"Every action of the federal administration in the field of foreign policy has had as its ultimate goal the establishment of permanent peace and economic stability in the world."

Mr. Truman saluted Gov. McMath in a special message read by Snyder. The chief executive wished the governor a successful administration and declared that "Arkansas stands at the threshold

of a great opportunity." He continued:

"It can go forward with progress under the enlightened leadership of the man who now assumes office under such happy auspices."

Chief Crazy Bull Will Donate Blood

NEW YORK, Jan. 12.—(INS)—Indian blood will be added to the Masonic blood bank today when Chief Crazy Bull, identified as the great-grandson of the famous Sitting Bull, makes a donation to his fraternity at a New York Masonic temple.

A mobile unit of the American

Red Cross has been set up at the temple.

Ten children from the anemia clinic of the Presbyterian hospital, together with their parents, will be on hand to witness the traditional Sioux war dance which the Indian chief will portray for the youngsters who need blood so badly.

Chief Crazy Bull is known as William Jacobs in the Bronx. He is a member of the Suffolk Masonic lodge at Port Jefferson. He was born on Crow Creek Reservation, Fort Thompson, South Dakota.

Twenty Injured In Florida Wreck

'Orange Blossom Special' Is Derailed Southeast Of Groveland, Florida

GROVELAND, Fla., Jan. 12.—(INS)—Repair crews were clearing the right-of-way of the Seaboard Air Lines today after the north-bound "Orange Blossom Special"

was derailed southwest of Groveland injuring 20 persons.

The train jumped the tracks on its return trip to New York last night after being derailed at Millford, Va., Monday while en route to Florida.

Most seriously injured when the crack Florida-to-New York train left the rails was John McCloud of Elmira, N. Y. Extent of his injuries was not determined.

Nineteen persons, in addition to McCloud, were hospitalized at Leesburg, 16 miles north of the

wreck scene, last night after the crash.

Six Pullman cars, two diners and a baggage car jumped the tracks, wrecked a trestle and toppled piles of cross-ties. The four rear cars remained upright.

The undamaged cars on the train were re-routed through Plant City, Fla., to continue the northward trip.

Like Williams

To Be Honored

NEW YORK, Jan. 12.—(INS)—

Professional boxing will do honor

tonight to lightweight champion

like Williams, its man-of-the-year.

The occasion will be the 10th annual

dinner of the Boxing Writers

Association and guests, limited to

Trenton, N. J., veteran an ovation

at the function's climax. Namely,

when he is called to the dais to re-

ceive boxing's 1948 "academy

award"—the Edward J. Neil Memo-

Aliquippa Indians Trip New Castle 43 To 33 In Sectional Tilt

Locals Lose Out In Final Period

Mt. Jackson Clips New Wilmington 57 To 53

Stars Named For Legionnaire Tilt

It was the same story again last night, as the Aliquippa High Indians walked home, with a 43 to 33 win, over the New Castle 'Canes, when it could have just as well been a local win.

Aliquippa has a potential championship club this year, no mistaking that fact—but what happens to New Castle in the closing period of almost every game, is unexplainable.

Something Happened

New Castle led at the half 20 to 17, and at the end of the third quarter 28 to 27, only to suffer a lapse in the final stanza, and before you could say "Jack Robinson" Aliquippa had run the count to 40 to 28, and it was all over.

Young Don Reed again stood out like a lighthouse on a foggy night, by blasting the hoops for 18 points, to run his season total to 192 in 12 games. Don Piccirillo had 10 of the New Castle points, and played a fine game at forward, Reed and "Pie" having 28 of the 33 points made by the 'Canes.

It was the third straight Section 3 defeat for New Castle. The victory, number 2 for the Indians leaves the Sharon game Friday at Aliquippa strictly the one the Braves must win.

What Happens?

It was a swell ball game for three periods last night. Swell that is for New Castle leading 20 to 17 and 28 to 27 at the end of the third session. But, what happens the fourth period?

New Castle can't even buy a field goal or foul in the first five minutes of the final stanza. The Indians went waltz happy again and ran the count up to 40 to 28 with authority. Finally Piccirillo made a field goal and that kinda broke the ice and then he made another field goal and Tom Clarke, a sub, made a foul and that was that; meanwhile, the Indians are playing it safe.

New Castle lost Phil Conti and Ben Haines on personal fouls in the final period, and this didn't help much, but by this time the game is practically over and Clarke and Simpson get in.

Aliquippa has a big team—Shaw, the big negro forward, is well over six feet, and so is Mickey Zernich, the center. Cable is fairly tall and Frank and Montini bring up the short end. Zernich led the Braves in tallying with 14, followed by Shaw with 10.

The score was tied up four times in the game, 15-15, 17-17, 23-23, 25-25. New Castle was in the game and the Indians didn't have any walkaway, only in the fourth period.

Reed Big Gun Again

In foul tossing New Castle didn't even make half of them, 13 out of 28, while Aliquippa made 15 out of 27. Young Reed had 10 of the local fouls himself out of 16 attempts. Incidentally Reed had 14 points the first half out of 20. But Reed can't do it all himself. He needs a little scoring help.

New Castle will go to Vandergrift Friday for a non-league affair and will be at Sharon next Tuesday for a Section 3 engagement. The next home game is Friday, January 21, with Farrell.

Wampum Trims Union 36-27

Wampum remains undefeated in Section 23, Lewis and Macko High Scorers

Wampum High Indians made it three straight in Section 23 last night by taking Union 36 to 27 in a well played game at the Union High court. Wampum remains as serious threats to title aspirants.

Union's inability to control the ball from the backboards in the first half cost them a lot of points. Wampum led the first period 16 to 4, and at the half 24 to 9. Scoring stars in the Wampum lineup were—Lewis and Ray Armario, with Macko and Presnar best for Union. Union missed numerous shots from all angles.

City-County Card Tonight

There are three good games listed for the City-County basketball league for tonight. All games start at 8 o'clock.

The league leading Ecclesian club will go to New Wilmington to battle the Alpha Sigs of Westminster college.

The Wampum Merchants will play the East Brook Boosters at the East Brook High court.

The Eagles club will play the Ellwood VFW team at the Shelby floor.

Meeting Thursday

There is an important meeting of the league officers and managers at 7:30 o'clock Thursday night at the E.K. club, it was announced by Arthur Mittler, president of the league, today.

Several new teams are desirous of entering the league. Action will be taken on this matter. All managers should make it a point to be present at this meeting.

The funny thing about it all is that the Indians probably will win the American League pennant next season with or without Feller.

If you have a boy between the ages 3 to 9 and he needs a Jacket it will pay you to visit Winter's.

Three Games On Friday Night Card At "Y"; She-nango "Y" Plays

Clowns In Prelim.

Coach Frank Reed today announced the names of his "Y" All-Stars that will tangle with the Harlem Legionnaires at the "Y" floor Friday night.

The team has promised to be there for the big tussle against the famous colored pros and may be able to spring a few surprises themselves against the hardwood clowns. Reed's squad consists of Fred Wymore, Fran and Bob Pitzer, Huck McGary, Pete Stack, Chuck Tanner, Harp Janacone, Bill Eroe, Chuck Reed, Don Black and Tim Koonce.

This outfit combines height, speed, and experience and would certainly gladden the heart of any college coach to have such an array of talent choose to maritriculate at his institution.

Fine Preliminary

The seven o'clock preliminary game pits the Shenango St. "Y" Big Five against the "Y" Clowns. The Shenango boys have compiled an enviable record against top notch opposition and will be out to show their stuff Friday night.

Bob England, coach of the Clowns, has chosen the following men to play for his team: Jim Snow, Russ Stokes, Greg Thomas, Bill Reed, Bill Fanning, Dick Hamilton, Wayne Gray, Don Waters, Chuck Travers and Bob Reiber.

These lads represent some of the cream players from the various "Y" leagues and should work well together under coach England.

A senior "Y" league playoff game will follow the main event.

Ticket sales have been brisk and all fans are advised of the wisdom of buying tickets in advance and saving up to \$15 per duet. Tickets may be purchased only at the "Y" lobby.

Epworth, First U.P. Vie For First Place

Tonight's card in the class A church league presents some of the most interesting games played to date in this circuit.

First Baptist meets First Congregational in the 7 o'clock opener. The Baptists have lost some tough ball games and are about due for a win.

St. George Greeks tangle with Third U. P. in the second contest. Despite their poor records, both clubs have a certain amount of class that insures a good ball court tussle whenever they take the floor.

In the feature contest, undefeated Epworth meets First U. P. First U. P. has lost only one game previously and that a close one to Epworth on the first time around. A tie for first place. Game time is 9 o'clock.

The league standings:

Team	Won	Lost
Epworth	7	0
First U. P.	6	1
First Congr.	5	2
St. George	2	5
Third U. P.	1	6
First Baptist	0	7

Freddy Beshore Defeats Weiden

LOS ANGELES, Jan. 12—(INS)—Freddy Beshore, Los Angeles, won a 10-round split decision over Jack Dempsey's protegee, Jo Weiden, of Austria, last night in a heavyweight bout at Olympic Auditorium in Los Angeles.

The fight was a close one with Beshore's overhand rights and lefts piling up enough points to give the local boxer a hard-fought win.

Beshore weighed 197 pounds, while Dempsey's protegee tipped the scales at 212 1/2.

Considering the increase in sports scandals during recent years, how often is a sports event put in the bag without the plot ever being exposed?

HERE AND THERE IN SPORTS' LAND

EVER BEEN chased by a bull? Ever been pursued by a bear? Both experiences are terrifying. When a bull gets on one's trail, a person is fortunate if he can find a way to ascend until the bull becomes tired waiting and departs. Not so if one is chased by a bear because bruin can climb as fast as he can run. George Rigby has never been pursued by a bull but he has been chased by a bear and he yet remembers the occasion.

Some years ago he accompanied his parents, and a brother, to Yellowstone park. Ambling about the park he came upon two cubs. He approached too closely in the opinion of Mother Bruin, who, with a roar, started for George.

Rigby turned, and fled, and with each stride said to himself: "Legs, speed, and more speed." He finally reached a lodge, burst through the door which he quickly closed and locked.

The bear grunted several times then meandered back to her cubs. George had another experience several days later at the park. He went to fish at what is known as Fisherman's bridge. He pulled out two trout, then caught a third.

He no sooner had laid down the third fish than up came a bear and seized the fish. Rigby scrambled, to make himself scarce, when suddenly the bear became frightened at something, ran to Fisherman's bridge, leaped into Yellowstone river, and swam away.

George fishes and hunts, but is still pondering as to what happened to a costly rod, and more costly reel, while fishing last summer along Slippery Rock Creek.

He laid down his pole, and walked some distance away from it. His attention was distracted for some time, and when he returned the rod, reel and line were nowhere to be seen.

George doesn't know whether a big bass pulled the rod and reel into the creek or some two-legged chap with a penchant for appropriating things, not his own, made off with his fishing equipment.

Uniontown Signs Griffin As Manager

UNIONTOWN, Pa., Jan. 12—(INS)—The Uniontown Coal Barons, a Pittsburgh Pirates farm team in the class C Middle Atlantic League, today ordered a new name put on the manager's door.

The Barons signed Wes Griffin to replace Bill Mongiello as manager of the Uniontown club Tuesday. Griffin, who had retired from baseball seven years before, was persuaded to take the job by pirate manager Bill Meyer.

Mongiello was recently signed by General Manager Mike Cannavino, to be the manager of the New Castle Chiefs of the Mid-Atlantic for 1949. Mongiello makes his home in Erie, Pa.

Gennaro Stars With 24 Points As Bessemer Breaks Into Section 23 Win Column

Bessemer had too many big guns booming at Princeton last night and the Princeton couldn't seem to silence them. It was 67 to 30 and the 1948 Section 23 champs had finally broken the victory ice in loop play after two reverses.

The defeat puts Princeton in the basement with no occupants to keep them company, as Shenango squeezed in a win over East Brook. Frankie Gennaro the Bessemer flashy forward put on a one-man scoring show for the Princeton fans with 24 as his evening's work, a brilliant exhibition. A. Anderson had 16 for Bessemer and grabbed a little of the limelight. Jones was the "fair-haired" Princeton boy with 15 points. Bessemer led every period by big margins.

Eagles Rally In Last Period To Come Within One Point Of Victory

Everything that East Brook High basketball team shot seemed to go through the hoop in the final quarter of last night's game at Shenango but the rally fell one point short, and the "Wildcats" had their first league win by a 39 to 38 score.

Ed McCown paced the Shenango scorers with 17 points while Bud Mayberry meshed 13 markers to top the losers.

East Brook was playing without the services of their ace floorman, Bill Pontius, who is at the farm show. However, that should take none of the glitter from the victory of the game little lads from Shenango who have been having a tough time winning their share of ball games but stayed in there fighting and won last night.

Shenango Reserves won the preliminary game 37 to 22.

Westminster On Cage Twin Bill

Titans Meet St. Francis In First Game On Garden Card Tonight In Pittsburgh

Westminster's Towering Titans travel to Pittsburgh tonight to renew an old acquaintance with St. Francis of Loretta, Pa., in the first game of a twin bill booked for Duquesne Gardens.

Nationally ranked Duquesne meets Geneva in the second contest on the card.

Westminster recently squeezed past St. Francis by a one point margin on the Titan court and will be faced with a two-fold program tonight. One is to stop Bill Wanish, a really classy performer who scored 21 points in his last outing against the New Wilmington lads. The second is keeping Don McCullough in the game. "Big Ozark" is a very valuable man in the Titan lineup, both offensively and defensively, but he is an habitual fouler who rarely sees any action in the fourth period of a game if he even manages to stick around that long with less than five personal against him.

If Feller gets more money from Cleveland next season than Bob Lemon or Gene Bearden there is no justice. They are better pitchers at a time when Feller's fame is on the wane. No one is particularly interested in seeing the remains of Feller pitching the ball.

Veteran Anglers And Hunters To Attend Banquet

Group of veteran fishermen and hunters will be guests of honor when the Lawrence County Council of Sportsmen hold their first annual banquet in the Cathedral at 6:30 p.m. Saturday.

The men will be seated at a special table, and no doubt when they meet many tales of the "big one" that "got away" and the shot that felled the "big buck" will be told.

The veteran fishermen and hunters had considerable to do with the forming of outdoor organizations here and their presence at the Saturday fete will be heartening to the younger generation of outdoorsmen.

The names of some of those who will be guests are: Wes Day, Ira Butler, Neal Williams, Henry (Jack) Sines, Scott McCaslin, Walter Bannon (West Pittsburg), Attorney J. Elder Bryan, Sheriff Frank Coen, Walter DeArment, Controller Andy Dadds; H. H. Gregor, William Grinnen (Wampum); Dr. W. W. Horner, W. W. (Cy) Ingham, William C. Kennedy, Charles B. Mayne, William Moody, Deputy Sheriff Thomas O'Brien, James Pattison, W. Henry Rodgers, Attorney R. L. Wallace, J. C. Williams, L. W. McClung and Fred Remley.

Those from Ellwood City who will also attend are: W. J. Reed, George Scott, V. E. Daubenspeet, Harry Richards, George Nichols, Arthur Forbush and Paul Powell.

Breth To Speak

Harris Breth, well-known radio commentator and writer on outdoor life, will be the principal spokesman, and no doubt his words will be eagerly assimilated by those present.

Mr. Breth is one of the originators of the plan to feed wild life from the air, and in writing, he never minces words. In other words, he is a crusader for everything that is right in outdoor life.

Hon. Judge John G. Lamoree, another devotee of the outdoors, will be the toastmaster. The jurist knows of what he speaks, hence his remarks between speakers will carry a message for the betterment of hunting and fishing.

De Lace Cole, prominent in business life, and one of the better thespians hereabouts, has consented to act as chairman or master of ceremonies. His presence will do much to lend color to the affair.

For Men And Women

The affair is for both men and women, and the younger generation of those who love to loiter along a stream with a rod in their hand, or a rifle or shotgun in their possession.

One of the big features of the evening will be an entertainment by the Barber Shop quartet, a local organization which is affiliated with a national organization.

The songs they will sing will carry the elder generation back to their younger days, while there will be other songs of the present day, and a delightful evening of music is anticipated.

All of the clubs affiliated with the council are helping to make the affair a success, and there will be many nice awards, among them being a \$765 television set.

Every Club Assisting

The clubs helping to make the affair a success are:

Lawrence County Sportsmen's association, Ellwood City-Wampum Rod and Gun club, Mahoning Sportsmen's association, Lawrence County Coon and Fox Hunters association, Shenango Valley Beagle club.

Enon Valley Rod and Gun club, Pennsylvania club (which is composed of men who were the fore-runners of sportsmen's clubs here), West Pittsburg Rod and Gun club and the Oakland Sportsmen's club.

Tickets for the affair are available until the close of business Thursday at Reynolds & Summers and the Sporting Goods Store. The cost of the banquet ticket is \$1.

Cut Above Eye Cause Of Defeat

Bill Bradley, New Castle middleweight, has returned from Toledo where he boxed Billy Borne, Lincoln Park, Mach. He was reported by the INS to have been knocked out in the fifth round. Bradley claims he sustained a cut above his right eye in the first and the ring doctor ordered the fight stopped in the fifth, thus giving Borne credit for a technical knockout, not a knockout.

Higgins Stopped Mike And Larry

Campbell, O. 'Middle', One Of Best Looking Young Fighters Around

Tommy Leach, matchmaker of the Jefferson Athletic club, believes that the Jack Biddle vs. Young Higgins bout January 24 in the Arena will prove one of the best matches he has staged since last summer.

He is of the opinion that Jack's experience will count in his favor, while youth will add much to Higgins ability. Both are good punchers.

Biddle's left hook is deadly, if it lands. Higgins has stopped Larry Huff, who beat Russ Borne, and also kaymed Mike Berkovich.

Jack Kendall of Columbus, O., is said to have boxed 20 times. He is matched to box Billy Pozza, Ellwood City, in a six-rounder.

In a telephone conversation with Kendall's manager, Leach told of Billy's ability whereupon Kendall's manager replied: "We know Pozza, and my fighter knows what it is all about."

Just when he was matched to box Johnny Izzo, Bill Bradley got himself knocked out by Billy Borne at Toledo several nights ago. Izzo will be the favorite in the fight if Bradley is kept on the card.

Russell Baxter, once a main boutter here, intends to try a comeback through a four-round bout. Matchmaker Leach is now angling for an opponent. Baxter works every day but is training at the JAC at night.

There will be one more four-round bout.
